

# HIGASHI NIPPON DENTAL JOURNAL

VOL.16, No.1, JUNE, 1997

## CONTENTS

### ORIGINAL

- 1 **Measurement of the intensity of sound generated by impacts on teeth—emission of percussion sound from an experimental model—**  
K.TADA, K.SAKAGUCHI and F.HIGO ..... ( 1 )
- 21 **Characterization and cariogenicity of two mutans streptococci strains isolated from Wistar-albino and Osborne-mendel rats**  
H.MIYAKAWA ..... (21)
- 35 **Effects of a local anesthetic tape—Differences due to the location of venous puncture and cannulation—**  
H.OHKE, M.KUDO, T.KAWAI, M.TAKAGAKI, T.KAWANO,  
M.KOKUBU and N.SHINYA ..... (35)
- 41 **Two cases of pigmented nevus of the palatal mucosa and review of Japanese literatures**  
T.MUTO, M.KANAZAWA, Y.HANAZAWA and K.SATO ..... (41)
- 49 **Study on enhancement of the motility of human oral squamous cell carcinoma cells and its intracellular signal transduction pathway with epidermal growth factor**  
T.KAWANO ..... (49)
- 65 **Comparison of benzodiazepine derivatives in intravenous sedation**  
T.KAWANO, M.KUDO, C.TATEYAMA, H.OHKE, I.ABIKO, T.KAWAI,  
M.KOKUBU and N.SHINYA ..... (65)
- 71 **Transfection of Cu-Zn superoxide dismutase antisense cDNA promotes motility and metastasis of murine fibrosarcoma cells**  
M.TANAKA ..... (71)
- 87 **Histological and histochemical study of the physiological root resorption processes of human deciduous teeth**  
M.KITAJYO, Y.SAKAKURA and T.YAJIMA ..... (87)
- 105 **Usefulness of midazolam for premedication and induction of general anesthesia**  
K.WATANABE, M.KUDO, T.KAWAI, M.KOKUBU and N.SHINYA ... (105)
- 115 **Complications of mandibular sagittal split osteotomy for correction of mandibular prognathism**  
T.MUTO, F.EGAMI, N.UCHIDA, H.MICHIYA, K.JOHJI, M.KANAZAWA,  
H.TAIRA, T.SHIBATA, N.ARISUE, H.KOBAYASHI and H.ISHII ..... (115)

**CLINICAL REPORTS**

- 123 **Case report : The clinical findings after 9 years replanted traumatic injured immature permanent teeth**  
Y.HATA, S.MATSUO, A.AZUMA, S.OONO and A.ASO .....(123)
- 135 **A case report of an aged dental patient with premature ventricular contraction by 1/200,000 epinephrine in 2% lidocaine hydrochloride in spite of intravenous sedation**  
I.ABIKO, M.KUDO, T.TAKADA, T.KAWANO,  
M.KOKUBU and N.SHINYA.....(135)
- 141 **A case of adenomatoid hyperplasia of the minor salivary gland**  
T.OHUCHI, J.MITAMURA, R.YAGAMI, H.KOYAMA,  
H.ARIJI, T.KAKU and M.OGAWA .....(141)
