

HIGASHI NIPPON DENTAL JOURNAL

VOL.18, NO.1, JUNE, 1999

CONTENTS

ORIGINAL

- 1 **Effects of dietary consistency and water content on the amylase activity in parotid glands and pancreas of adult rats**
M. KURAHASHI and K. INOMATA (1)
- 7 ***In vitro* mineral induction by immobilized phosphoprotein—Effect of phosphate group on interfacial tension for mineral induction—**
S. ITO, T. SAITO, M. A. CRENSHAW, H. TOYOOKA and K. MATSUDA... (7)
- 17 **A simplified sieving method for measuring masticatory performance**
H. KOSHINO, T. HIRAI, T. ISHIJIMA and Y. IKEDA (17)
- 25 **Application of the Erbium : YAG Laser to Cavity preparation for Cast Metal Inlay Restoration**
Y. IBARAKI, Y. NAGAI, T. KAWAKAMI, K. HARAGUCHI, T. ODACHI, T. MATSUDA, S. TSUKAGOSHI and K. MATSUDA (25)
- 33 **The estimation of inactivation rate of parotid amylase in the stomach of rats during feeding**
M. KURAHASHI and K. INOMATA (33)
- 39 **Effects of phenytoin on synthesis of bone morphogenetic proteins (BMPs) in normal human bone cells in vitro**
H. KOYAMA, O. NAKADE, T. SAITO and T. KAKU (39)
- 49 **Establishment of yeast functional assay for rat p53**
D. NAKATA (49)
- 65 **Histopathological study of healing in the mandibular bony cavity—Especially tissue repair after filling with hydroxyapatite to bony cavity—**
F. MAKI (65)
- 87 **Studies about apoptosis expression mechanism recognized in *Actinobacillus actinomycetemcomitans* infection macrophages**
M. MURO (87)
- 103 **ESR radiation dosimetry using granulated sugar (I)**
M. KANEKO, M. FUKUDA, N. SATOH, T. HORIKAWA and S. MINAMI... (103)

| | | |
|-----|---|-------|
| 109 | Imaging analysis of the mandibular canal on buccolingual tomographic cuts at the wisdom tooth position T. OHNISHI, L. TANAKA, M. FUKUDA, T. SANO, Y. HOSOKAWA and M. KANEKO | (109) |
| 117 | Influence of local anesthetics upon oxygen radical generation H. KANDA | (117) |
| 141 | Local Anesthetic Effects of Calcium Antagonists (Diltiazem, Verapamil, and Nicardipine) on Extracted Rabbit Vagus Nerve M. KOKUBU, K. ODA, T. KAWAI, H. OHKE, M. KATO, M. KUDO and N. SHINYA | (141) |
| 147 | Research on sedation for dentistry Part 1. Method of additional administration for diazepam intravenous sedation M. KUDO, H. OHKE, M. KATO, C. TATEYAMA, K. KATAGIRI, Y. SATO, T. KAWAI, M. KOKUBU and N. SHINYA | (147) |
| 155 | Studies of capillary networks in masticatory muscles in rats 2. Relationship between the vascular endothelial growth factor and development of capillary networks of the masseter muscle in young rats H. ISHII, I. OOTA, T. TAKUMA, K. HIROSE and K. INOMATA | (155) |
| 163 | Properties of non-polarizable electrode K. INOMATA, I. OOTA, H. ISHII, K. SASAKI and M. KURAHASHI..... | (163) |
| 171 | Classification of Types of Anemia on the Basis of Cell Death Phenomena. Cell-Proliferation, Cell-Differentiation and -Apoptosis, and Specification of Cell Death in Mature Red Cells T. YASUKOUCHI, K. SAWADA, M. IEKO, K. KOIZUMI and T. KOIKE ... | (171) |

CLINICAL REPORT

| | | |
|-----|--|-------|
| 191 | A case of ameloblastoma treated by dredging H. NAGAYASU, T. KAWANO, M. MURATA, K. OKUMURA, Y. ABIKO, T. KAKU, Y. TATEYAMA, T. SHIBATA and M. ARISUE | (191) |
| 199 | A case of intra-operative subcutaneous emphysema accompanied by double vision J. KAWAKAMI, T. MUTO, K. KOJIMA, K. YAMAMOTO and M. KANAZAWA | (199) |
| 205 | A statistical analysis of cariogenic factors from dental examinations of elementary school children in Shiroishi, Sapporo Part 1. Questionnaire survey of first grade children Y. HATA and H. MIURA..... | (205) |
| 217 | Clinical evaluation of amalgam bonded with adhesive resin in primary molars Y. HATA | (217) |
