

HIGASHI NIPPON DENTAL JOURNAL

VOL.21, NO.1, JUNE, 2002

CONTENTS

REVIEW

1 **Taste bud cells and nerves**

M. TAKEDA, N. UCHIDA and Y. SUZUKI (1)

ORIGINAL REPORTS

11 **An experimental study of bone formation in the beagl dog frontal sinus induced by β -tricalcium phosphate matrix with growth differentiation factor-5 implants**

H. KUNIYASU, Y. HIROSE, T. KAKU, M. KANEKO and T. TAKUMA (11)

25 **Phospatidylinositol 3-kinase regulates formation of invadopodia, promoting invasion in oral squamous cell carcinoma cells**

R. KINOSHITA, K. OKUMURA, K. NAKAMURA and M. KANAZAWA (25)

43 **Expression of endogenous tumor necrosis factor functions as a resistance factor against TNF-induced apoptotic cell death in oral squamous carcinoma cells**

T. HAGINO, K. OKUMURA, K. TOMIOKA and M. KANAZAWA (43)

59 **Spatial relationship between the palatal reference plane and craniofacial skeleton in three-dimensional measurements of dental casts**

J. UECHI, K. HAYASHI and I. MIZOGUCHI (59)

67 **Evaluation of Doppler sonography of the blood flow in the submandibular gland —A comparison of power and color Doppler imaging—**

T. OHNISHI, L. TANAKA, T. SANO, Y. HOSOKAWA and M. KANEKO ... (67)

75 **Visual properties of dental local anesthetic injection needles can increase discomfort and anxiety**

M. KUDO, H. OHKE, T. KAWAI, M. KOKUBU and N. SHINYA (75)

- 81 **On the correlation between malocclusion, caries and self-reported functional disorders**
M. KOBAYASHI, T. IMAI, H. MIZUGAI and K. HIROSE(81)

CLINICAL REPORTS

- 89 **Two cases of orthodontic treatment using oral implants**
S. MINAMI, Y. HOSOKAWA, J. OGASAWARA, M. OCHI,
K. SHINOZAKI, T. OHNISHI and M. KANEKO(89)

- 99 **Usefulness of three-dimensional helical CT images of 3 patients in the oral and maxillofacial region**
Y. HOSOKAWA, T. SANO, L. TANAKA, M. KANEKO,
T. MUTO, K. OKUMURA, H. TAIRA and M. ARISUE(99)

- 105 **A case report : Supernumerary roots of deciduous molar associated with missing permanent premolars**
H. FUJII, Y. HATA, M. IMAKITA, H. MORIKIYO and S. ITO.....(105)

- 113 **Genioplasty and vestibuloplasty of edentulous mandibular prognathism patient**
K. YAMAMOTO, F. EGAMI, K. SHIGEO, T. HAGINO,
T. MUTO, M. KANAZAWA, H. KOSHINO and T. HIRAI(113)

- 121 **Clinical analysis of patients introduced to the oral and maxillofacial clinic of the Health Sciences University of Hokkaido Dental Hospital**
J. KAWAKAMI, B. OKADA, K. SHIGEO, S. TAKEDA,
Y. TAKAHATA, N. TSUJI, K. YAMAMOTO, K. OKUMURA,
T. MUTO, M. KANAZAWA, Y. ADACHI, S. TANIGUCHI,
T. SASAKI, H. NAGAYASU and M. ARISUE(121)

EDUCATIONAL REPORTS

- 127 **Pain, state-anxiety, and percentage of success in clinical practice of venous puncture and cannulation**
—Examination of mutual practice with fifth grade in Department of Dental Anesthesiology, School of Dentistry, Health Sciences University of Hokkaido—
M. KUDO, H. OHKE, T. KAWAI, M. KATO, M. KOKUBU
and N. SHINYA(127)
